WELCOME

Welcome, guests and members
Of the A. N. A.
Detroit opens wide her doors
For your convention day.

We bid you welcome one and all,
And we will do our best
To fill your days with pleasure
And (we hope) your nights with rest.

Look at our Program carefully,
There's something for each day,
And when there is no business
We've arranged for you to play.

It's fifteen years since last we met
In this Dynamic place,
And many who were here are gone—
We'll miss each smiling face.

But many more have joined our ranks,
A happy, crowding throng,
Who have started coin collecting
And will push the game along.

We extend the hand of Friendship
To each member old and new,
And here's our hearty greeting
To you — and you — and you.

If your collection lacks rarities - -

YOUR HOST

The idea of a coin club for Detroit was first discussed during the Montreal convention of the American Numismatic Association. Albert C. Hutchinson and Edward A. Hoare fathered the plan, which other members heartily indorsed.

Convention made plans often fail to materialize, but a coin club is not easily forgotten. F. G. Duffield helped the conspirators, and all A. N. A. members in the Detroit district were notified.

Fourteen persons attended the first meeting of the Detroit Numismatic Society, at the Detroit Institute of Arts, February 15, 1924. E. A. Hoare was elected President and A. C. Hutchinson, Secretary-Treasurer. Future meetings were scheduled for the first and third Thursdays of each month.

This Society had a short life, for its name was soon changed to the Detroit Coin Club.

In 1925 the Club held its first public exhibition, served as official host to the A. N. A., and adopted a Seal which appears on medals struck to commemorate the 100th, 150th and 300th meetings.

A Life Membership was purchased in 1926.

Many years have passed since these modest beginnings. The Detroit Coin Club has grown and flourished like the science of numismatics, and aspires to an equally brilliant future.
